The applicant objects the technical rejections as pointed out by last OA with newly introduced prior art of Marshall to combine with Mahany for the following reasons:

25 The newly introduced reference is filed later than applicant's current invention. The new prior art of Marshall [US 6,829,214] that last OA introduced for technical combine rejections was filed at "Dec. 27, 2000" was after the applicant's provisional patent file date "Dec.8,2000". Please see the disclaimer of the applicant's application as "This application claims the benefit of the Provisional Patent Application Ser.No.60/254,393 filed 12/08/2000."
